Light Up the Fourth of July at Gatlinburg SkyLift Park's VIP Fireworks Viewing Party

Get a Bird's Eye View of Gatlinburg's "Fireworks Spectacular" From the Record-Breaking SkyBridge

GATLINBURG, Tenn. — Enjoy Gatlinburg's Independence Day fireworks from the best vantage point in the Smokies at [Gatlinburg SkyLift Park](#), home of the Gatlinburg SkyBridge — North America's longest pedestrian suspension bridge. Ticket holders for the limited VIP Fireworks Viewing Party will have a unique vantage point 100 feet above the firework's launching pad — the Space Needle — with stunning views of the downtown lights below, the fireworks and the silhouette of the Smoky Mountains.

In addition to the unmatched view of the fireworks from the SkyBridge, SkyDeck, SkyCenter and viewing deck areas, attendees will have all-day access to the SkyLift Park on both July 4 and 5, after-hours access to the SkyLift Park, exclusive access to the all new Boardwalk on the SkyTrail, up close views of Gatlinburg's iconic 30-by-60-foot American Flag hanging from the SkyBridge, food and drink vouchers, live bluegrass and Americana music from the Misty River band and a limited edition SkyLift Park lanyard with Fireworks Viewing Party Pass. Attendees will also have the opportunity to enjoy the red, white and blue lights illuminating from the SkyBridge in honor of the Fourth.

"The Fourth of July celebrations in Gatlinburg are always memorable, and we are excited to offer the most unique viewing experience of the fireworks this year from the top of the mountain at the SkyLift Park," said Randy Watson, general manager. "Our fireworks viewing party will allow the Gatlinburg guests to leave the hustle-and-bustle below and escape to the exclusive, one-of-a-kind viewing experience the SkyLift Park and SkyBridge offers."

Event ticket holders should be prepared to load up the mountain via the yellow SkyLift chairs no later than 8:30 p.m. to be sure they are in place before the fireworks begin on the Space Needle at 10 p.m.

With the event limited to 600 people, visitors will want to get their tickets early, online at gatlinburgskylift.com. Tickets for the 2-day pass and viewing party are \$59.95 for adults (12 and older) and \$37.95 for children 4-11. Ages 3 and under are free. Tickets are non-transferable and non-refundable, even in the event of closures due to inclement weather.

About Gatlinburg SkyLift Park

Founded in 1954, Gatlinburg SkyLift Park offers stunning views and unforgettable experiences in East Tennessee. The Gatlinburg SkyLift carries guests from the heart of town up five hundred vertical feet to the top of Crockett Mountain. Renovated in 2019, Gatlinburg SkyLift Park now offers a SkyDeck observation area and SkyBridge—the longest pedestrian suspension bridge in North America—to the millions of people who visit the Great Smoky Mountains National Park each year. For more information, visit www.gatlinburgskylift.com.
